

Pathology Core Laboratory Services Rate Structure 2017

Below is a list of our rates and charges beginning July 1st 2017. These rate changes have been undertaken under the direction and with the approval of the Institutional Core Advisory Committee (iCAC) and reflect the need to offset the institutional subsidy available for core laboratory services.

| Service | CHOP/UPENN | External Academic | External Commercial |
|---|---|---|---|
| Grossing | \$2/specimen | \$2.20/specimen | \$4/specimen |
| Processing and Embedding* | \$3/specimen | \$3.30/specimen | \$6/specimen |
| Decalcification | \$4/specimen | \$4.40/specimen | \$8/specimen |
| Unstained Slides from Paraffin Block | \$3 for first slide \$1/slide additional slides | \$3.30 for first slide \$1.10/slide additional slides | \$6 for first slide \$2/slide additional slides |
| Unstained Slides Frozen | \$4/slide | \$4.40/slide | \$8/slide |
| Cut Scrolls from Block | \$2/block | \$2.20/block | \$4/block |
| H&E Stain on Unstained Slide | \$4/slide | \$4.40/slide | \$8/slide |
| Special Stain From Slide (Level I) | \$5/slide | \$5.50/slide | \$10/slide |
| Special Stain from Slide (Level II) | \$10/slide | \$11/slide | \$20/slide |
| Special Stain From Slide (Level III) | \$15/slide | \$16.50/slide | \$30/slide |
| Special Stain Workup | \$150/stain | \$165/stain | \$300/stain |
| TUNEL Labeling | \$30/slide | \$33/slide | \$60/slide |
| IHC Stain from Slide | \$22/slide | \$24.2/slide | \$44/slide |
| ISH RNAscope single CISH | \$75/slide | \$82.50/slide | \$150/slide |
| ISH RNAscope dual CISH | \$100/slide | \$110/slide | \$200/slide |
| New Antibody Workup | \$220/antibody | \$242/antibody | \$440/antibody |
| Digital Slide Scanning 20X | \$6/slide | \$6.60/slide | \$12/slide |
| Digital Slide Scanning 40x | \$12/slide | \$13.20/slide | \$24/slide |
| Digital Slide Scanning Oil | \$18/slide | \$19.80/slide | \$36/slide |
| Digital Slide Scanning IF 20X | \$15/slide | \$16.50/slide | \$30/slide |
| Digital Slide Scanning IF 40X | \$30/slide | \$33/slide | \$60/slide |
| TMA Construction | \$350/array | \$385/array | \$700/array |
| Laser Capture | \$36/hr | \$39.60/hr | \$72/hr |
| Imaging Scope | \$5/hr | \$5.50/hr | \$10/hr |
| Training (IHC, Image Analysis, etc)/Technical Consultation*** | \$50/hr | \$55/hr | \$100/hr |

***Grossing:** This charge will apply when specimens require additional handling to prepare for processing.

****Complex Sectioning:** This charge will apply when multiple non-sequential levels are requested per slide (i.e. 3 sections per slide each section 50 microns apart)

*****Training:** Includes but is not necessarily limited to things such as: instruction for instrument use (i.e. how to use the LCM), techniques (i.e. training a technician how to do immunostaining), and specialized topics (i.e. how to capture and analyze an image).

*****Technical Consultation:** This charge will apply for technical time required beyond the performance of the specific service.
